

We're ending period poverty.

Did you know; 1 in 9 girls have missed school because they could not afford to buy sanitary products in the UK?*

Your school has a supply of sanitary products which are free to all learners who need them.

Speak to your teacher to find out more.

At p hs, we believe everyone should have access to the period products they need. Schools, colleges, universities, business and the public sector have a vital role to play in ending Period Poverty in the UK. p hs Group are here to support with an extensive range of period products, guidance and learning materials to ensure no-one misses out because of their period.

*Research carried out by p hs Group - Period Equality Whitepaper, June 2021
