

5L indoor **Sanitiser Dispenser Unit**

➤ Protect your employees and visitors by investing in a reliable and easy to use manual liquid hand sanitiser solution.

The 5L indoor dispenser unit provides an easy way to encourage good hand hygiene and reduce the spread of germs in your premises.

It is designed to provide alcohol and alcohol free based hand sanitiser in building entrances and locations with heavy footfall. Staff can easily switch the bottles of sanitiser over. It comes with a lockable compartment that can store a 20L of hand sanitiser, saving valuable time for your employees.
