

Eclipse™ xtra sanitary disposal

> Hygienic and discreet sanitary disposal service

A complete liner exchange service, with bins fully cleaned on site before a new liner is inserted.

Key features :

- More capacity for high footfall areas
- Antimicrobial material moulded in to the lid creating a hygienic surface
- Cleaned with EnviroSan ® germicide to combat 99.99% of bacteria

Product innovation & design

- The flap is specifically designed to mask the contents of the bin from sight
- Foot pedals for hygienic operation, can be located either side of the cubicle
- Low profile design, sits below the toilet seat, avoids people contacting the bin

The Nickel collection

Designed to complement any washroom decor, the premium Nickel collection features a modern metallic finish, which adds a touch of class to any environment.

Fully compliant

Fully licensed and compliant with all waste management regulations, a full auditable waste trail is provided.

Environmentally conscious

The bin is fully recycled at the end of its life.

LifeCycle

The **phs** LifeCycle strategy diverts customer waste away from landfill. It is instead taken to nearby energy recovery facilities where it is turned into power for the local community to use, providing a sustainable waste solution.

Technical specifications

Capacity 16.5 litres

Dimensions 46 x 42.5 x 20cm
