

# Baby change vend

➤ With the demand for baby changing facilities growing and an increased emphasis on hygiene...

...our baby change vends are the ideal quick solution. Designed specifically to include a range of trusted, branded consumables, our nappy vending machines provide convenience and peace of mind for families with babies.

## Key features :

- Available in two variations, standard baby change and baby change swim
- Available in either white plastic or a silver metal finish
- Contains up to 6 branded consumables
- Self-contained – no mains wiring
- Tamper proof design made from durable ABS plastic or a metal construction
- Wide product delivery mechanism to all for reliable vending

## Fully serviced

The baby change vend is a fully serviced unit, with **phs** ensuring that it is always fully stocked without any input from your staff. After every service, you'll receive an immediate automated email confirmation detailing the site and products serviced. We'll provide a time-captured signature, showing exactly when your service was carried out and who acknowledged our visit, so you can be sure you've got a complete service audit trail.

## Product specification

Size	36 x 100 x 23cm
Weight	13.5kg
Operation	Battery operated
