HELPING MEN LIVE WELL

Prostate cancer affects
1 in 8 men in their lifetime.

The earlier you find it,
the easier it is to treat.

Charter Certification

is proudly recognised for achieving **BRONZE BOG STANDARD** washrooms

Achieving the Bronze **BOG STANDARD** means we meet the essential requirements of creating safe spaces for men, by installing Male Incontinence Bins in our washrooms, specifically designed for the disposal of incontinence products.

Matthew Brabin
phs Group CEO

phs Group's 'Dispose with Dignity' campaign in partnership with Prostate Cancer UK, supports men living with prostate cancer and incontinence, helping them to live well. This campaign is committed to creating BOG STANDARD washrooms, paving the way for men to who want to feel comfortable and supported at work, at the gym, when out and about, and wherever else they may visit. Visit www.phs.co.uk/BOGSTANDARD for more on the BOG STANDARD Charter accreditation.
